

THE
TROMMEL
SHOP

THE TROMMEL SHOP is a team of dedicated people in tune with the demands of the dynamic mining industry. Western Australia is the powerhouse of the resources industry not only in Australia, but the Asia-Pacific region as a whole.

The Trommel Shop is a subsidiary of the Losugen Group of companies and has many years experience in the wear protection areas of mining and industry. Losugen are well placed within this powerhouse and have the experience and drive necessary to ensure your project runs safely and efficiently.

Losugen's applied practices led them to question the fact that the market was lacking a specialist to supply, service and maintain trommels internationally.

The Trommel Shop is the result.
